REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As I look back over the year, I truly appreciate the work put forth by the Southside Middle School staff. Our staff, along with our partners, set out this year to make a positive impact on Southside. As you will read in this report, we did just that!

The council worked on 4 performance goals:

- 1. Student performance on standardized test scores will increase.
- 2. Students will be exposed to the South Carolina Standards of Learning.
- 3. Students will demonstrate technological skills.
- 4. Students will demonstrate knowledge of the Character Education Initiative.

Some of our accomplishments in these areas include:

- —The Extended Day Program helped students with homework.
- —We continued Project Wisdom on our live morning show. Project Wisdom had daily character based thoughts for students to think about.
- —We enhanced our organization by participating in the Accelerated Schools Process.
- —We were accredited by the Southern Association of Colleges and Schools

Other achievements:

- —This year's Teacher of the Year for Southside was Mr. Frankie Sullivan. He represents Southside very well!
- —We were awarded several grants this year.
- —We were fortunate to have Carolinas Hospital System as a Partner in Education with us. They provided many resources, such as tutors/mentors, which helped our school tremendously.
- —We hosted our annual Swinging with Seniors event, which was a huge success. We had many senior citizens join us for food and entertainment. This event was hosted and produced by our Home Economics students, our partners at Carolinas Hospital System and our students in the performing arts. Mrs. Brewer, our home economics teacher, deserves many thanks for this event!

There were many people who put forth much effort to make this year successful. Thanks to all of you who invested your time and energy into Southside!
